Early Care Provider:

4-C is an important resource for child care community. For me, both as a teacher and as a director, the trainings provided help to bring teachers up to date for licensing and for quality care giving. I have also used 4-C to advertise openings for teachers when we've needed to hire."

Parent:

Literally everyone I talked to, even moms who faced the challenge of finding child care for their children decades ago, stated that they used the 4-C Referral Service. Finding child care using other sources felt overwhelming. Using 4-C helped by narrowing it down.
